

# Biofuels Events Calendar

Administered by the American National Standards Institute

The Biofuels Events Calendar provides information about upcoming events that highlight biofuels standardization and conformity assessment activities around the globe.

To add an event to the calendar, please email [biofuels@ansi.org](mailto:biofuels@ansi.org). Each submission must include a complete description of the event, including the date(s), location, brief description (150 word maximum), registration process, fees, and the URL where more information can be found. Submission does not guarantee placement.
