

# HITSP

Healthcare Information Technology Standards Panel

a webinar series on U.S. healthcare interoperability

The Healthcare Information Technology Standards Panel (HITSP) is identifying the standards that will support the exchange of healthcare information across the United States. Learn more about the Panel and how you can engage in shaping the future of HIT interoperability during a series of **free webinars** held throughout the Summer of 2008.

webinar five

## Electronic Health Record (EHR) Laboratory Results Reporting

### What you will learn

During this 90-minute webinar, participants will explore the basics of the HITSP Interoperability Specification (IS) for EHR Lab Results Reporting, including:

- the harmonization process and standards utilized by the IS
- potential for use of the IS in direct care and in public health uses
  - Use Cases
  - scope of interoperability
- key information on how specification can be used by your own organization

### Who should attend

Consumers, government representatives and policy makers, healthcare providers, standards developers, vendors, and any other interested stakeholder.

### Presenters

Representatives of the HITSP Provider Perspective Technical Committee

- Jamie Ferguson, Executive Director, Health IT Strategy and Policy, Kaiser Permanente
- Michael Glickman, President and Founder, Computer Network Architects

### June '08

**Webinar 1**     **Standardizing How We Share Information in Healthcare: An Introduction to HITSP**

archived presentation: [www.HITSP.org/webinars](http://www.HITSP.org/webinars)

**Webinar 2**     **Building Blocks for Healthcare Interoperability**

archived presentation: [www.HITSP.org/webinars](http://www.HITSP.org/webinars)

**Webinar 3**     **Consumer Access to Clinical Information**

archived presentation: [www.HITSP.org/webinars](http://www.HITSP.org/webinars)

### July '08

**Webinar 4**     **Biosurveillance**

archived presentation: [www.HITSP.org/webinars](http://www.HITSP.org/webinars)

**Webinar 5**     **Electronic Health Record (EHR)  
Laboratory Results Reporting**

(Provider Perspective TC)

Thursday, July 24, 2008 — 2:00-3:30 pm EDT

### August '08

**Webinar 6**     **Quality**

(Population Perspective TC)

*postponed temporarily — new date to be announced*

**Webinar 7**     **Security, Privacy and Infrastructure**

(Security, Privacy and Infrastructure Domain TC)

Thursday, August 21, 2008 — 2:00-3:30 pm EDT

### September '08

**Webinar 8**     **EHR and Emergency Response**

(Provider Perspective TC)

Thursday, September 4, 2008 — 2:00-3:30 pm EDT

**Webinar 9**     **Medication Management**

(Cross-TC - Provider Perspective TC)

**Sponsored by**

HITSP Education, Communications and Outreach Committee
